

The logo consists of a stylized, intertwined 'D' and 'P' shape. The 'D' is a solid blue color, and the 'P' is a gradient of blue to cyan. The letters are thick and rounded.

DIVERSY PACK
for a greener future

About Us

- ◆ Diversy Packaging, is an Istanbul / Turkiye based trade company specialized in sustainable packaging. With the aim to contribute to a greener future, Diversy Packaging supplies various paper packaging products - made of recycled and virgin paper - to Europe. Every paper packaging product supplied to Europe are manufactured at green-certified production plants with state-of-the-art low-energy consumption European machineries.

SOS Bags

- ◆ SOS bags, made of virgin or recycled Kraft paper are commonly used at supermarkets, fast-food restaurants and take-away delivery services. With brown and bleached white paper choices, suitable for both natural and modern styles.
